PROFESSIONAL SUMMARY

Full Stack Developer and B.Tech Computer Science student at Adamas University with hands-on experience shipping production-grade web applications, real-time systems, and developer tooling. Proficient in React.js, Next.js, Node.js, FastAPI, and PostgreSQL. Strong track record of building for real users — maintaining live infrastructure, leading developer communities, and winning national-level hackathons. Open to software engineering internships and full stack roles.

EDUCATION

Adamas University

B.Tech in Computer Science and Engineering

Kolkata, West Bengal, India

Expected May 2028

TECHNICAL SKILLS

Languages: JavaScript, TypeScript, Python, C, C++, SQL

Frontend: React.js, Next.js, Tailwind CSS, GSAP, Framer Motion, Redux Toolkit, HTML5, CSS3

Backend: Node.js, Express.js, FastAPI, REST API, WebSockets, Socket.io

Databases: PostgreSQL, MongoDB, Supabase, Neon, Redis

Tools & DevOps: Git, GitHub, Vercel, PM2, Nginx, Linux, CI/CD

WORK EXPERIENCE

Ryze AI

Jan 2026 – Feb 2026

Frontend Developer Intern

Remote

- Built and shipped production UI components in React.js, TypeScript, and Tailwind CSS across multiple sprint cycles, contributing directly to feature releases
- Integrated REST APIs with the frontend layer, collaborating with backend engineers to cut data-fetch latency and improve perceived rendering performance
- Participated in agile ceremonies — standups, code reviews, and retrospectives — maintaining a consistent PR merge cadence throughout the engagement

Adamas University

Nov 2025 – Present

Moodle LMS Cloud Maintainer (Part-time)

Kolkata, India

- Administer cloud-hosted Moodle LMS serving **1,000+ students and faculty**, maintaining platform uptime and handling incident response
- Manage plugin configuration, user roles, and course onboarding workflows; reduced support tickets by streamlining faculty permission flows

PROJECTS

CyCoder | Next.js, PostgreSQL, Tailwind CSS, REST API | cycoders.in

2025

- Founded and lead **CyCoder**, Adamas University's developer community; grew platform to **100+ active users** with week-over-week growth since launch
- Engineered a **gamified dashboard** with XP-based progression, leaderboards, and a **full attendance management system** featuring CRUD operations, QR check-in, and admin controls
- Built a complete **event management portal** powering Signifiya (signifiya.in) — the annual flagship fest — with registration flows, schedule management, speaker profiles, and participant tracking
- Architected multi-role auth (Admin / Member), announcement board, resource library, and activity feeds into a unified community OS

Noted | Next.js, WebSockets, PostgreSQL, LLM APIs, Node.js | noted-mini.vercel.app

2025

- Built a **fully agentic note-taking platform** where an AI agent autonomously summarizes, tags, links related notes, and surfaces context-aware suggestions as the user writes
- Implemented **real-time multi-user collaboration** over WebSockets with CRDT-style conflict resolution, ensuring zero data loss under concurrent edits
- Designed the agentic workflow pipeline: user input triggers LLM calls for intent classification, enrichment, and structured output — reducing manual organization effort to near-zero

Apple 3D Product Showcase | Next.js, Three.js, GSAP, Tailwind CSS | mac-land.vercel.app

2024

- Engineered a **3D interactive product showcase** with WebGL-rendered models, scroll-linked GSAP animations, and SSR via Next.js — achieving a **100% Lighthouse SEO score**
- Built **20+ reusable components**, deployed via Vercel CI/CD with global CDN edge distribution for sub-second load times

ACHIEVEMENTS & CERTIFICATIONS

- DAKSH HITK 2026** — Top 5 Nationally in 24-hour hackathon, Heritage Institute of Technology, Kolkata
- Smart India Hackathon 2025** — Internal Finalist, Top 10 in Software Category out of 150 competing teams
- Certified Full Stack Web Developer — Udemy, 97 hours (ID: UC-f427f3a7-351a-41fc-91e4-510256962222)
- Delivered **15+ technical workshops** on full stack development to student audiences as Tech Lead of CyCoder
